

# HIKARI

## JAPANESE LANGUAGE SCHOOL

Director  
Mian Muhammad Azhar

# INTRODUCTION

**Hikari Japanese Language School** was established almost 5 to 6 years ago. The institute is situated in **Aroop Road, Moafi Wala, Gujranwala**. Our institute works under the supervision of our respected **MIAN MUHAMMAD AZHAR**. He goes to Japan and works there, then he starts his own business after completing his successful journey in Japan and having strong language skills. Based on his experience in Japan as a student, he started his Japanese Language school.

**Hikari Japanese Language School** invites their Japanese partner once or twice a year to Pakistan, who visit Pakistan and i often go to Japan for work mostly.

# WORKS ON STUDY VISA

**Hikari Japanese Language School** deals on study visa. We teach students Basic Japanese language then they able to pass their Japanese test and pass their interview in Japanese language school. Then we apply their visa. Students receive their COE. And go to Japan. We sent a lot of students on study visa and students carry on their Successful career.

## A Trusted Pathway to Global Opportunities

**Hikari Japanese language school** has earned a strong reputation for excellence in Japanese language education – not only in Gujranwala but also across Pakistan – through consistent results and a commitment to quality learning and also maintain his good reputation in japan. We are sending large number of students on study visa. We are applying visa of students who have complete their Minimum intermediate degree. Then after this we give basic Japanese language classes to those students in our institute. We have maintain our good reputation in our area but now we should move toward **INTERNSHIP PROGRAM** which benefit our students in future.

# CONCERNS REGARDING THIS INTERNSHIP

**Hikari Japanese language school** is visited by foreign delegations every year. Students give online interview on basis of which company send them to embassy for visa.

Our **INTERNSHIP PROGRAM** Which is handle by **Earnest Company in Japan** is much more like working visa for the students who now apply for this. After that the interns who complete their internship in japan according to their demands have best opportunity to work in same company as a permanent employee after the completion of their degree.

We should try to secure our students future through this internship. Universities should guide their students regarding this internship and contact with us if anyone from you is willing to apply for this .

## Internship Program Between Pakistan and Japan

This presentation highlights the internship program established between Pakistan and Japan, emphasizing its advantages for both countries. The program aims to foster skill development among participants, encourage cultural exchange that enriches understanding between the two nations, and bolster economic cooperation through enhanced ties in various sectors. By facilitating their interns with a good package and shaping their personality and skills, the company gives them a chance to work with them in the future and create good bound with their respective countries alike.

## Why we **HJLS & EARNEST** offer this internships

Our aim in announcing this Internship is to improve relations between Pakistan and Japan, because there is a bad image of Pakistanis in Japan because our people and students who violate the rules. Because the Japanese are very careful about their rules, regulations, and culture.

If we send educated students, they will definitely do their work regularly and follow the rules and regulations there well, and in this way, we will create a good image for Pakistan.

## Benefits of a Japan Internship:

- It is an opportunity to accelerate your personal, professional, and cultural growth.
- This internship also support you financially because the company give you pay on basis of hour you work for them .
- International work experience that strengthens your CV.
- Exposure to Japanese work culture, discipline, and technology.
- Improved communication skills, including Japanese language practice.
- Higher chances of global job opportunities.
- Stronger confidence and independence.
- Networking with international professionals and institutions.
- After the completion of your internship and degree you also apply for our job in japan same company.

# What is the criteria

- This internship, requires students from the **5th to 7th** semester with a good reputation, along with strong academic and professional skills. We seek regular, disciplined, and reliable students. We expect the university to recommend students who have demonstrated good performance and possess the potential to work successfully in the future.
- We strongly encourage every eligible student to apply for this career-secure and future-oriented internship opportunity.

## What role university plays in it

- The university encouraged their students to join this internship to help secure their future. Now it based on our university that how they benefit you from this internship either include it in your degree as a practical work you talk with them about this And after you will complete this internship in Japan, they will give you better job opportunities in the future.
- University will play the role of introducing us to good students who will do well in Japan and adjust to the environment there. University will write recommendation letters for their university students. And University also Sign MOE.
- **Hikari Japanese Language School** is also helping the students with this internship and supporting them in completing their internship program successfully.

## Benefits for the University

- The university benefits by becoming more famous, more trusted, more connected internationally, and more attractive for students and companies.
- Stronger International Reputation
- Better Admissions – More Students Apply
- Improved Student Success Rate
- Real-world feedback from Japanese companies
- Builds a strong brand identity
- Students prefer universities offering global exposure
- Improves university ranking and image
- Attracts national and international recognition

## Why Hikari introduce this internship

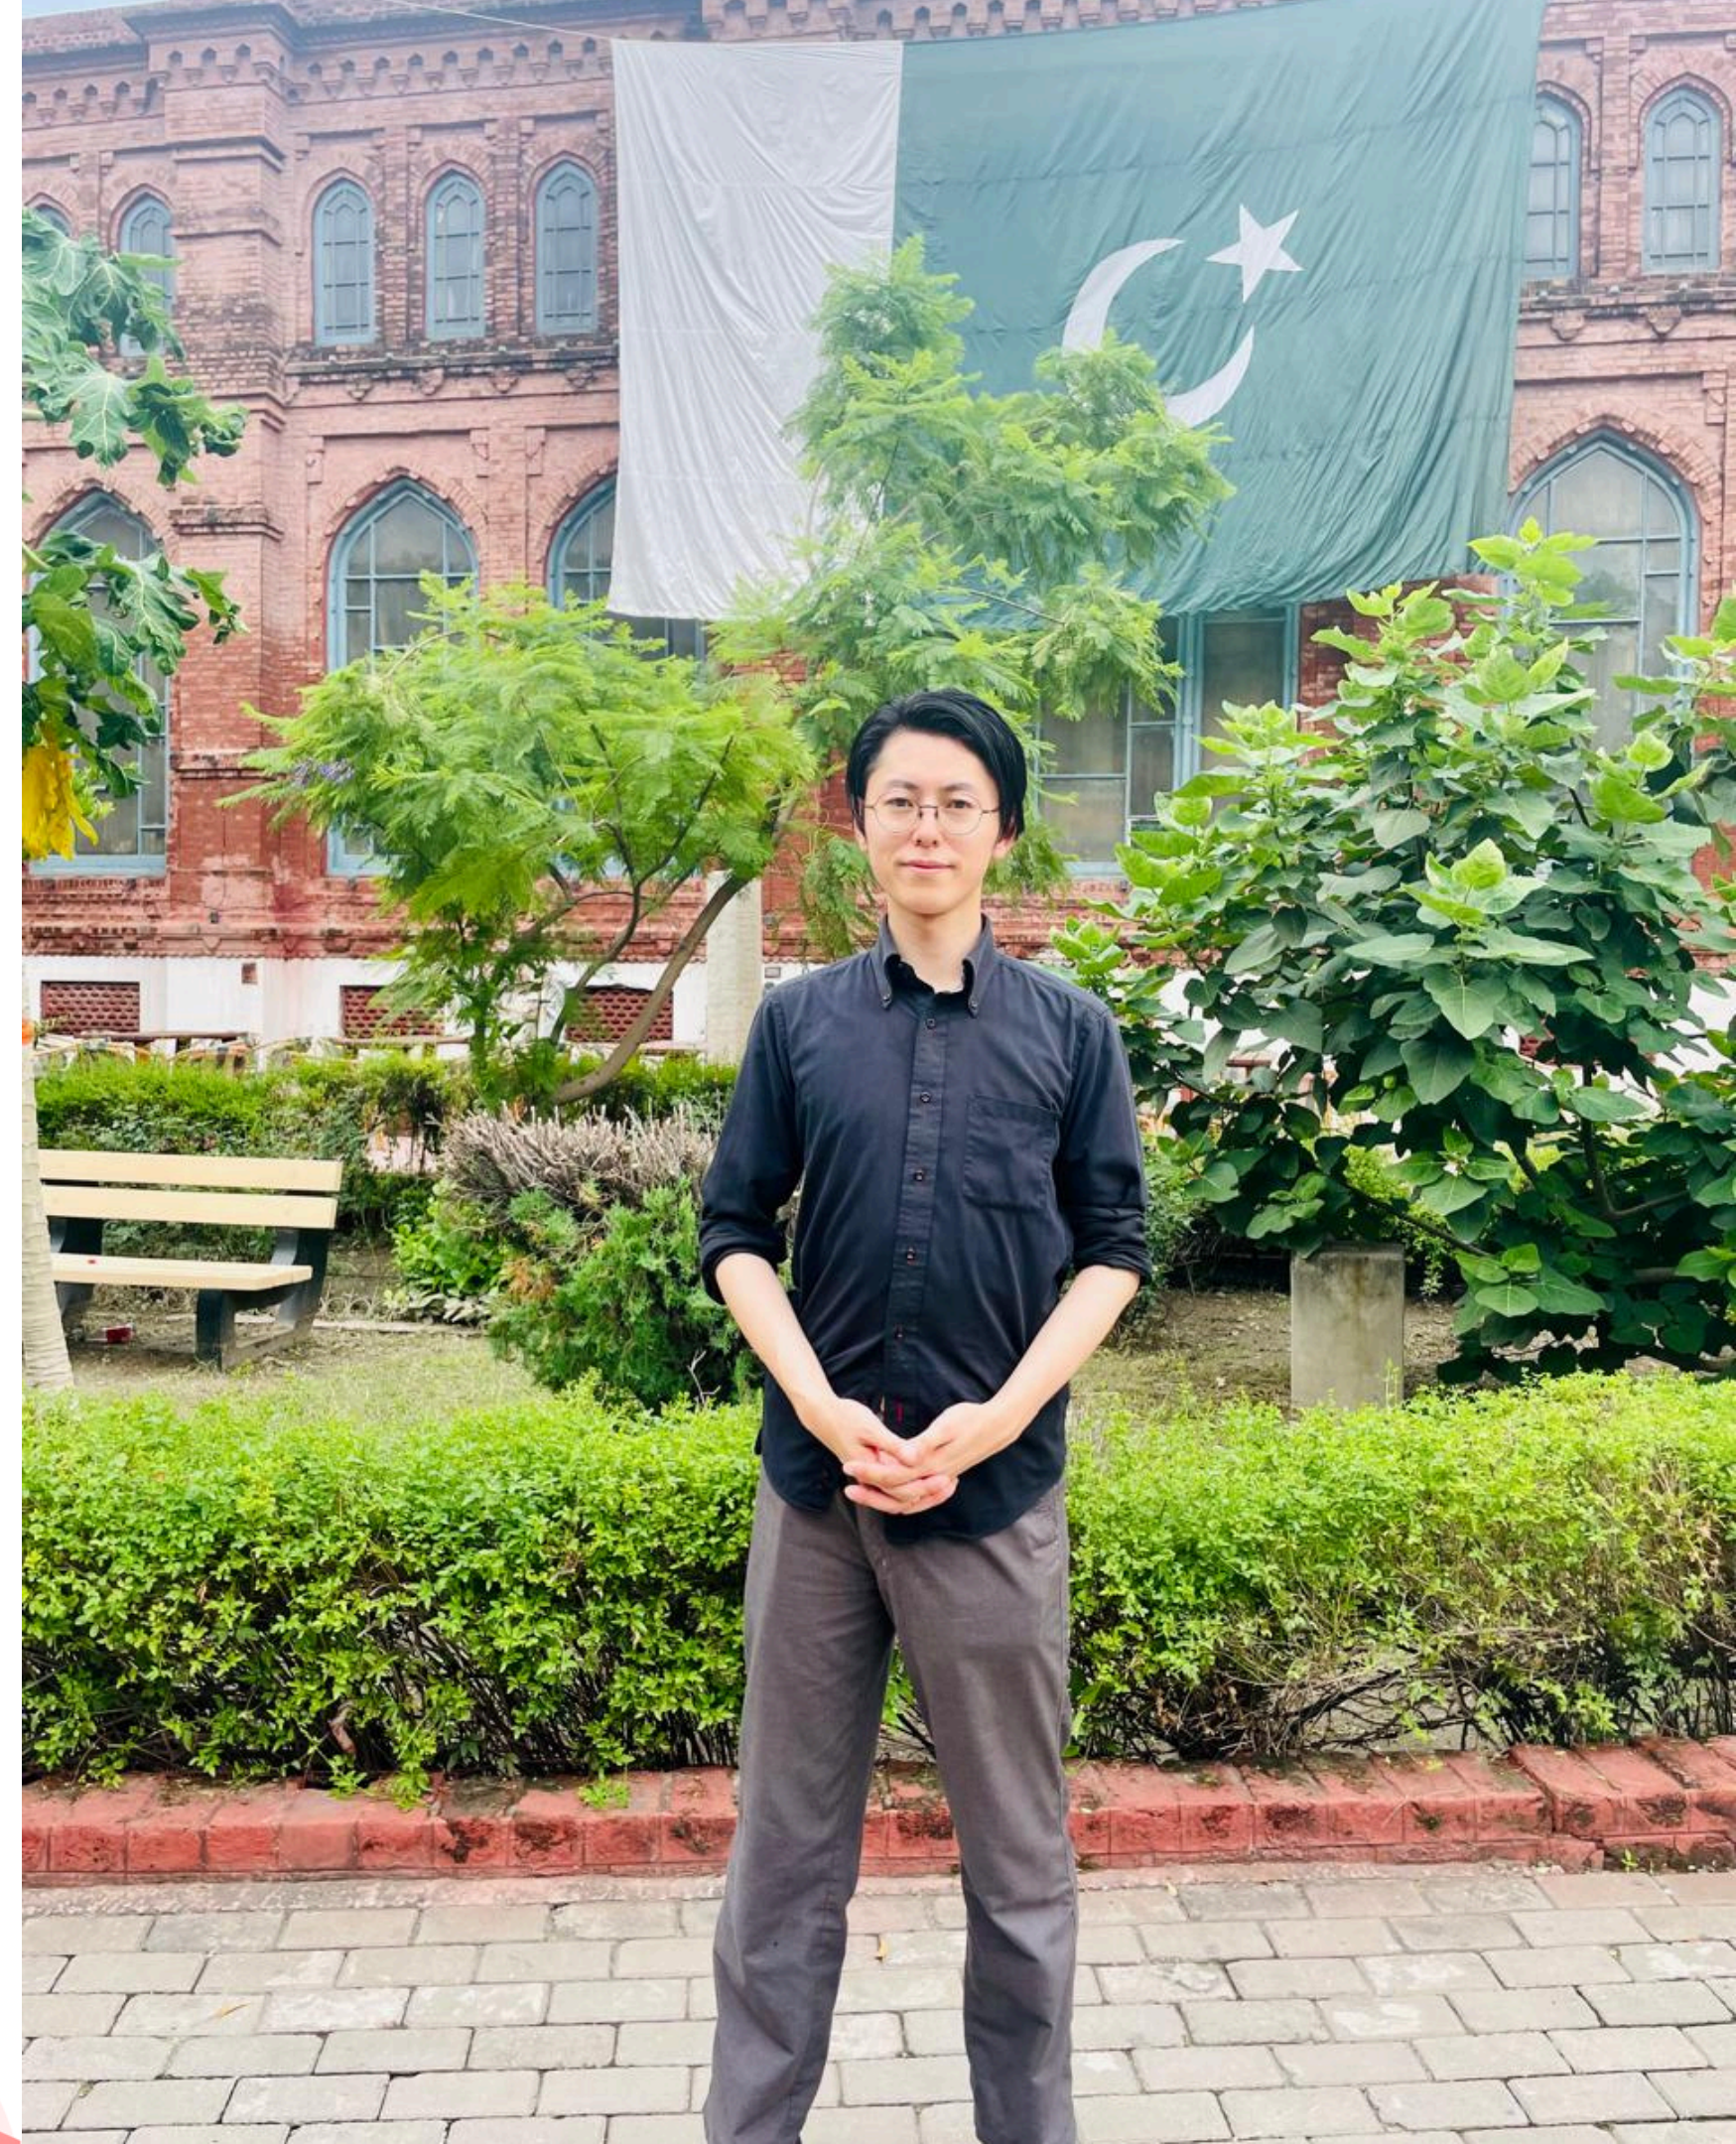

- We provide this pathway because **your success is our success**. We are here to support Students journey and help you build a future you can be proud of. Our institute received this opportunity because we have been working with Japan successfully for the past years, and we have developed strong connections with Japanese schools and universities. Now we want to expand it with Japanese Companies.
- **Hikari Japanese Language School** already work in japan on language visa but now japan give us this internship opportunity to our institute for their better relation and also for maintaining Pakistani's reputation in japan.

## Benefits HIKARI get from this internship

Institutes offer foreign internships to strategically strengthen their reputation and academic standing, while also providing students with invaluable, high-impact international learning experiences. This approach not only helps universities remain competitive in the global education landscape but also enables them to build long-term partnerships and strong international networks.

And also My Japanese friends **Mr. Shunya Okajima (Legal Certified Immigration Lawyer)** Running company with the name of **Dora Visa.ltd And Earnest** and partners who also visit Pakistan and have their own work. They are handling the entire process of the internship themselves, so this will also be an important part of our partnership. And already, they are doing this internship in **Vietnam**, which they have been doing for the past few years, so now we want to introduce it in Pakistan as well.
